Dear Sir,

Special dispensation for the State of Haryana – Credit Guarantee Scheme

At the outset, I extend my gratitude for providing CGTMSE an opportunity to put forth the proposal of collaboration with CGTMSE for your consideration.

As desired by you, please find attached draft proposal for collaboration. As some of the covenants of the proposal also touch upon the operational modalities of the proposed scheme, we may consider modifying these based on your inputs. We look forward to partner with the State Government in this initiative which could go a long way in extending credit to the target population of MSEs in the State. Should it be required, we will be willing to discuss the collaboration scheme further, virtually or come down to your office on hearing from you in this regard.

With warm regards,

Yours sincerely,

(Sandeep Varma)

Chief Executive Officer
