**Small Industries Development Bank of India (SIDBI)**, established under an Act of Parliament in 1990, acts as the Principal Financial Institution for Promotion, Financing and Development of the Micro, Small and Medium Enterprise (MSME) sector as well as for co-ordination of functions of institutions engaged in similar activities. In the context of the changing MSME lending landscape, the role of SIDBI has been realigned through adoption of SIDBI Vision 2.0 which envisages an integrated credit and development support role of the Bank by being a thought leader, adopting a credit-plus approach, creating a multiplier effect and serving as an aggregator in MSME space.

Dear Sagar,

As discussed, I am sharing an excel sheet received from SEWA Agri Cooperatives of SEWA Federation with quantities of Peddy Seed Requirement and Fertiliser for their Agri Input Bank facilitated by GT-SIDBI PMU, Gujarat.

They will also be procuring Okhra Seeds and other Agri inputs for which quantity estimation is in process.

There are 3200 Women members in this Agri Cooperative from District Tapi.

Let's see if we can connect them for two major requirement for Peddy Hybrid Seeds – US Agri Seeds and Advanta. Rest can be tied up with local dealers of other companies with ref. from GT.
